HOLLY HEDGE
Animal Sanctuary

OUR MISSION

Who we are

Holly Hedge is a small animal rescue charity, re-homing up to 1000 animals a year and giving them a second chance at a healthy, happy life. At our sanctuary, we rehabilitate animals who are often neglected or abused, with some needing urgent medical treatment before we can get them to their forever home.

Why we need your help

We receive no government or National Lottery funding and so every donation to us is crucial and makes a difference. Our work would not be possible without the tireless help of our staff, volunteers and the support of our community. You can help save animals too!

A note on our packages

We know there are some elements that may appeal more than others, so get in touch if you'd like something more bespoke for your company.
